which form an integral part of this contract (hereinafter referred to as “the Contract”).

The terms set out in the Special Conditions shall take precedence over those in the other parts of the Contract. The terms set out in the ITER Organization Service Contract General Conditions shall take precedence over those in the Annexes. The terms set out in the Technical Specifications (Annex II) shall take precedence over those in the Contractor’s Offer (Annex III).

Subject to the above, the several instruments forming part of the Contract are to be taken as mutually explanatory. Ambiguities or discrepancies within or between such parts shall be explained or rectified by a written instruction issued by the ITER Organization, subject to the rights of the Contractor under Article II.23 should he dispute any such instruction.

I – SPECIAL CONDITIONS

ARTICLE I.1 - SUBJECT

- I.1.1.** The subject of the Contract is the provision of Business Intelligence Experts for SmartPlant Integration for IO.
- I.1.2.** The Contractor shall execute the tasks assigned to him in accordance with the Technical Specifications annexed to the Contract (Annex II).

ARTICLE I.2 – DURATION AND VALIDITY

- I.2.1.** The Contract shall enter into force on the date on which it is signed by the last contracting party.
- I.2.2.** Provision of the services may under no circumstances begin before the date on which the Contract enters into force.
- I.2.3.** The duration of the services shall not exceed one year with the possibility of a second Option year. This period and all other periods specified in the Contract are calculated in calendar days. Provision of the services shall start from the date of entry into force of the Contract.

The Option year may be instigated only with the express written agreement of the IO before the current period elapses.

- I.2.4** The contract shall remain valid for 6 months after the final contract duration period.

ARTICLE I.3 – CONTRACT PRICE

- I.3.1.** The maximum total amount to be paid by the ITER Organization under the Contract shall be EUR [amount in figures and in words] excluding VAT, covering all services provided. The ITER Organization shall not accept liability for any expenditure beyond the aforementioned maximum amount.
- I.3.2** If at any time the Contractor considers that the services cannot be completed without exceeding that sum, he shall immediately submit to the ITER Organization a full written explanation of the reasons together with a detailed forecast of the excess. The ITER Organization shall not accept any liability for any forecast excess until a formal amendment to this Contract has been made in writing. The ITER Organization is not obligated to accept the above modification of contract price.

ARTICLE I.4 – PAYMENT FORMALITIES AND PERIOD

Payments can only be made after receipt of the document(s) specified in Article I.5 and II.4 below.

Payments shall be executed only if the Contractor has fulfilled his contractual obligations by the date on which the invoice is submitted.

Payment requests may not be made if payments for previous periods have not been executed as a result of default or negligence on the part of the Contractor.

The payment period is 30 days after receipt of a correctly rendered invoice and all necessary supporting documents. If a (technical) report is a further condition for payment, the 30 days period starts after the ITER Organization has:

- (i) approved the (technical) report and
- (ii) received a correctly rendered invoice.

The payment schedule is as follows:

Contract Duration 2 Years	Description	Daily rate in € Including all Costs	Envisaged Number of Days	Total €
