Evaluation Process & Contract Award:

Proposals will be evaluated by an impartial, professionally competent technical evaluation committee of the ITER Organisation. Consideration will be given to the information provided and the suitability of the proposed expert CV relative to the criteria detailed in chapter 12 of the technical specification. A contract will be awarded on the basis of best value for money according to the following: Technical content: 100 points weighed by 60%. Price offer: 100 points weighed by 40%. The offer with the best weighted score out of a maximum of 100 points will be deemed to represent the best value for money. No other criteria will be used.

Yours sincerely

Mrs Françoise Flament
Head of Procurement & Contracts Division
